

**THERE IS A NEED TO ASSESS
RESEARCH & RESEARCHERS**

**JOURNAL IMPACT
FACTOR IS NOT THE
RIGHT TOOL**

**NO SINGLE METRIC WOULD
BE APPROPRIATE**

**RATHER, WE'RE
ADVOCATING FOR A
BASKET OF METRICS**

**MUCH GOOD WORK HAS
ALREADY BEEN DONE**

**WE NEED TO PROMOTE &
BUILD ON THIS WORK**

1. INFLUENCE FUNDERS TO REQUIRE DORA ADOPTION

2. MAKE IT EASY

3. RAISE THE PROFILE OF DORA & OTHER INITIATIVES

4. CREATE A METRICS LAB

5. CALL FOR OPEN DATA SOURCES

7. FACILITATE COLLABORATIVE CHANGE

8. DEVELOP ALTERNATIVE WAYS TO EVALUATE JOURNALS

THANK YOU
